2016
LATAH COUNTY SOLID WASTE

Rural Service

Latah County is responsible for waste removal under state and federal regulations. The goal is to keep Latah County clean.

Solid Waste fees are mandatory for occupied homes in Latah County. Fees fund all waste disposal and recycling programs.

Latah County Solid Waste Ordinance:
Maintenance and operation of the rural solid waste collection system shall be funded by assessment and collection of a fee imposed upon all premises in Latah County, except those located within the corporate limits of any city.

solidwaste@latah.id.us

Manage your bill on-line:
latahcountysolidwaste.secure.munibilling.com

Roll Cart Program

Roll carts must be at the end of driveway by 5am. Waste must be bagged inside roll cart and not packed tightly. Failure to do this hinders servicing and results in trash blowing out of truck or getting stuck in cart and not removed. If roads are impassable extra waste will be collected the following week free of charge. Please contact the office with any garbage collection problems as they occur.

BILLING CHANGES

Fees will be billed quarterly and must be paid no later than the 15th of March , June, September and December to avoid $10.00 late fees. Fees for extras will be placed on the following quarters bill. Unpaid fees are collected with property taxes. To stop billing exemption forms and information are available in the office or at www.latah.id.us/solidwaste. Monthly automatic bank deductions can be set up for free. Credit/debit cards carry a 2.5% service fee (minimum $1.50).

Property owners are responsible for all fees and notifying tenants of programs.

Holiday Collection

If your service day falls on or after New Year's Day, Memorial Day, Independence Day, Labor Day or Thanksgiving Day collection will be one day late with service through Saturday.

Free Household Hazardous Waste

Located at the Transfer Station

Nov - Mar: First Saturday 8am - 4pm
Apr - Oct: All Saturdays 8am - 4pm

Free Rural Recycling

Please use BOTH sides of the containers
