Box 70008, Boise, ID 83707-0108.**

Notice

The court is required to order income withholding in all child support orders. Income withholding is enforced by a withholding order issued to the paying parent's employer without additional notice to the paying parent, according to Idaho Code Section 32-1204. The support order can also be enforced by license suspension or the filing of a lien upon all real and personal property of the paying parent.

a. Multiple Children. (if applicable)

We have more than one minor child. If this child support order has not been modified, when one child is no longer entitled to support, child support for the remaining child/ren should continue and will be paid by (name) _____ for a total adjusted support amount of \$ _____ per month; when two children are no longer entitled to support, child support for the remaining child/ren should continue and will be paid by (name) _____ for a total adjusted support amount of \$ _____ per

month; when three children are no longer entitled to support, child support for the remaining child/ren should continue and will be paid by (name) _____ for a total adjusted support amount of \$ _____ per month.

b. Extended Visits. (if applicable)

Our child/ren live/s in the home of one parent at least 75% of the time. (If selected, check the boxes below that apply. Otherwise, go to the next section.)

When the parent paying child support has physical custody of the child/ren for 14 or more overnights in a row, the amount of basic child support should be reduced for that period of time. However, visitation of two overnights or less with the other parent should not eliminate the reduction of basic child support during extended visits. The child support reduction for the period of the actual physical custody should be 50% or (Other percentage) _____% of the basic child support obligation. The reduction should be subtracted from the child support payment due the month following the extended visit.

If the parent paying child support has physical custody of some but not all of the children for a period of 14 overnights in a row, before a reduction is made, the basic child support obligation should first be divided by the number of children under 18 years of age. The parent who pays child support can only claim a reduction for the child/ren in that parent's custody.

For Example—Parent has 3 of 4 children for 14 overnights. \$300/mo. basic support payment divided by 4 children = \$75 per child per month divided by 30 = \$2.50 per day per child x 14 = \$35.00 x 3 for 3 children = \$105.00. Reduction = 50% of \$105 or \$52.50.

c. Work-Related Childcare Expenses. (Basic child support does not include work-related childcare.)

Basic child support does not include work-related childcare. The actual net out-of-pocket costs for work-related child care should be paid _____% by Father and _____% by Mother. Payment should be made directly to the child care provider by both parents according to arrangements made with the care provider if permitted by the care provider. Otherwise, if one parent pays the child care provider any portion of the other parent's share of costs, the non-paying parent should reimburse the paying parent within 10 days after the paying parent provides a copy of the invoice and proof of payment.

d. Medical, Dental, and/or Optical Insurance.

- (name) _____ is/are currently providing health insurance for the minor child/ren and should continue to do so, so long as it is reasonably available through that parent's employment. If such insurance becomes unavailable to the parent currently providing insurance, the parent first reasonably able to obtain group health insurance through employment should do so. **or**
- Neither parent is currently providing health insurance for the child/ren. The parent first reasonably able to obtain group health insurance through employment should do so. Any future health insurance premiums for the child/ren should be prorated between the parents.
- The child/ren participate/s in the Children's Health Insurance Program (CHIP) of Medicaid. The parent first reasonably able to obtain group health insurance through employment should do so.

Where medical insurance is provided, each parent should be ordered to provide the other with all medical insurance information necessary to obtain health care and process insurance claims for the child/ren. Insurance proceeds should be applied first to unpaid medical bills and then to reimburse the paying parent for any prepaid medical costs. Both parents should be ordered to sign any needed document that provides continuing health care for the child/ren.

Failure to provide medical insurance coverage may result in the direct enforcement of a medical support order by either the obligee (party or parent other than the parent ordered to carry or provide a health benefit plan for the parties' minor child/ren) or the Department of Health and Welfare. A national medical support notice will be sent to your employer, requiring your employer to enroll the child in a health benefit plan as provided by Sections 32-1214A through 32-1214J, Idaho Code, and applicable rules of the department.

- e. Health Care Costs.** The actual cost paid by either parent for health care expenses for the child/ren not paid in full by insurance, including, but not limited to, insurance premiums, orthodontic, optical and dental, should be prorated between the parents. Father should pay _____ % and Mother should pay _____ %. Any health care for the child/ren (whether for psychiatric, psychological, special education, addiction treatment, or counseling in any form, and including regular medical or dental care), whether or not covered by insurance, that would result in an actual out-of-pocket expense of over \$500 to the parent who did not incur or consent to the expense, must be approved in advance, in writing, by both parents or by prior court order. (**Note:** The court may consider whether consent for out-of-pocket expenses in excess of \$500

was unreasonably requested or withheld and order payment of the incurred expense in some percentage other than the Guidelines Income.)

The child support payment should include an adjustment for each parent's share of health insurance costs. All other health care payments are in addition to the basic child support award and should be promptly paid or reimbursed directly between the parents. **or**

All health care payments should be in addition to the basic child support award and should be promptly paid or reimbursed directly between the parents.

f. Tax Benefits & Exemptions.

Note: The parent not receiving the exemption(s) should sign the required Internal Revenue Service form(s) to release the claim to the exemption(s).

The state and federal income tax dependency exemptions for the child/ren should be assigned to _____ (mother or father) who has the greatest tax benefit calculated under the Idaho Child Support Guidelines (see tables in Section 8(c) of the Idaho Child Support Guidelines). The parent not receiving the exemption(s) should be awarded a pro rata share of the value of income tax benefit in proportion to his/her guidelines income which should be either a credit against or in addition to the basic child support obligation.

We agree to a different allocation of federal and state income tax dependency exemptions for our minor child/ren. A written document signed by both parents will be submitted to the court.
