Meeting:

Minutes from 10/27/01 accepted with corrections.

Bill Belknap introduced as the new assistant planning director.

Discussion followed regarding Section 2.06. MF noted that non-conforming junk was still under investigation by the prosecutor's office, with grandfathering being looked at. A great deal of the discussion concerned reworking the language, order, and inclusiveness of the proposed language; however, PC seems to want to move forward with this section, and is even willing to examine fire, safety, and health issues; MF to consult with the county prosecutor about the latter three items.

Land division/Ag/For and proposed rural zone tabled for next meeting.

JDH will be out of town from January to April; PC wishes to have him remain on the commission after he returns. JDH also suggested that the PC have a workshop with the county prosecutor on junk.

Next meeting 4 December 2001 at 5:30pm, County Courthouse, 2-B.
