

Sept 21, 2010

Meeting called to order at 5:30 pm

Commissioners in attendance: Janet Hoehle, Cindy Agidius, Suvia Judd, Steve Heick and Rod Parker.

Chair Hoehle introduced commissioners to the audience and then laid out the rules for testifying.

Minutes will be addressed at the next meeting.

Bob Callahan: addressed some grammatical errors and was concerned about the designation of the designation of residential commercial and industrial zones.

Bill Gosling: regarding input into his campaign on the county plan, wonders if our info is timely. Feels economic development wording could be more encouraging especially to help companies like Fab Tec, Alturas, etc. Graphics on population graph incorrect?

Jack Freeland- Supports Viola change but feels the Higher density designation causing some problems...while he feels he understands our intention he feels it needs to be wordsmithed.

Linda Rogers- supports the Viola change

Chris Freeland- Supports the map change but is concerned about the words high density and does not want heavy home development...wonders if this should be rural residential.

Dave McGraw- Clean up verbage to encourage economic development in all parts of the county near the population centers .

Janet Rumford- had questions regarding a policy statement under Economic Develop ask and answered.

Tina Baldwin: Concerns with comprehensive plan map changes for Viola, likes rural residential designation better than proposed

Tim Hatten: Change paragraph 3 language on pg 20- remove the first sentence beginning with reference to the Pamphlet.

2nd visit: Douglas Hawthron Groves impt to the Palouse Prarie type.

Wayne Sprouse

Ag Forest Residential- do we need to look at other places in the county that should be designated as such?

*Chuck Getts: If you are operating a business now in Viola in the area where the changes are being made would you have to quit?
Michelle said no. Home based is allowed*

David Hall - glad to see the Palouse Prairie habitat mentioned

*Bob Callahan- second visit.....Natural resource element problem:
Douglas Hawthorn Groves don't need to be preserved!*

Closed public hearing at 6:21.

Commission discussed above concerns.

Minor changes in grammar were made, another goal was added to Economic Development.

Suvia moved that the changes made to the comp plan be approved and forwarded to the county commissioners with the changes made tonight. It was seconded by Cindy. (leaving public hearing for the county commissioners) Motioned unanimously approved.

Meeting adjourned at 7:04.
