August 7 minutes were approved, it was moved by Steve and seconded by Cindy. Motion carried.

August 22 minutes were approved, it was moved and 2nd the minutes from Steve and Sid.

Review of Planning Commission ideas and concepts on land divisions ensued.

Michelle presented some employee ideas and questions.

Sid shared information that those folks around him that were in rural subdivisions were not interested in splitting up their initial purchases. The board agreed that allowing new splits in previously planned subdivisions was not our original intention. Cindy shared information regarding the number of rural properties available on the market today and the numbers for sold rural properties. We concluded the discussions with several ideas upon which to ruminate.

We will discuss Bob's plan after Michelle shares with our attorney. There are several different technical changes that need to be made at the next meeting also.

Meeting was adjourned at 6:45.
