The meeting was convened at 5:33 PM and minutes from the previous meeting were approved as submitted.

PC members discussed the county attorney review of the drafted *Non Contiguous Same Ownership Parcels* language.

The draft language updated from the 19 March 2013 meeting was distributed and discussed. Michelle suggested that for uniformity the City of Moscow be contacted to parallel land division language in the Area of Impact. The PC members agreed this was a good idea.

The public engagement effort for the land division changes will include direct contact with all Comprehensive Planning workshop groups and the email distribution list with enclosed copies of the draft land division language and an offer to have PC members and PB staff visit to discuss with interested groups these changes. The PC will invite the BOCC to attend the 16 April 2013 meeting to discuss drafted changes and a public meeting will be announced for 7 May 2013 at the regular PC meeting.

A public hearing will be noticed and scheduled for 4 June 2013.

The meeting was adjourned at 6:35 PM.
