RE: Locust Blossom Parade Road Closure
Status: Urgent

On Saturday May 27th from 10:00 am to 11:00 am, Highway 3 will be closed through the town of Kendrick for the Locust Blossom Parade. The Idaho Transportation Department will place signs on either end of the closure indicating an alternate route to avoid delays (and will also post Highway 12 to alert drivers to the closure). To avoid delays, drivers should consider altering their travel routes or times of departure. After the parade, the Highway will be reopened but drivers are cautioned to be aware of increased foot traffic in downtown Kendrick due to the festivities.

Please advise your audiences of this closure as it might cause severe traffic congestion and problems. Thank you for your attention to this matter.
