Planning Director, Michelle Fuson [MF]

**Present/Absent:** JDH, SJ, KW, JH, JS, LB present. Staff: MF.

**Packet:** Agenda; minutes for 5/18/04; draft for presentations of changes

**Meeting.** Minutes for 5/18/04 accepted with correction of last sentence re. Whitman County: "in the process of changing its language concerning ridge-top development."

4/05.02.1 (CAFOs, Industrial Zone's number of animals): leave the number of animals as it is, but allow the public to respond. MF: the limitation applies to all animals.

2.04.02 (Existing Mineral Resource Developments [MRD]): Language to read: All existing mineral resource developments without a current CUP must acquire a CUP, and register within one year of the adoption of this ordinance (and thereafter annually) with the Planning Department, or cease operation. LB to look through the changes in drafts on this section before the next meeting. MF: MRD section has probably not been through the prosecutor's office.

Rides/roles for the public meetings discussed. Janet mentioned that the agencies that our ordinance suggests the county will rely on re. CAFOs don't actually exist.

**Next Regular Planning Commission Meeting:** 6 July 2004 at 5:30pm in the Latah County Courthouse, Room 2B [changed to Room 207].
