Meeting Notes for July 20, 2010

PC Present: Heick, Henriksen, Hohle, Judd

Staff: Fuson, Knott, Boal

The meeting began without a quorum at 5:35 PM. The meeting was called to order when a quorum formed at 6:00 PM.

The PC discussed the special meeting/tour held June 29, 2010. General agreement was reached regarding a minor change to the rural/commercial/industrial designation in the Viola area to guide rural/commercial/industrial uses away from the existing residential uses.

Discussion on how to encourage industrial/commercial development versus residential development in the county continued from previous meetings and from workshops held. This concept is reflective of the fact that the cost for public services exceeds the increase in property taxes for residential uses in the county.

Planning and Building staff indicated they would be done with the first draft of the comprehensive plan in preparation for the August 3 meeting.

The meeting was adjourned at 7:15 PM
