For questions please contact Blake Ballard at ballard@moscow.com. The commissioners ask a few questions about the EIS, and Chairman Hohle commented that the commissioners have chosen not to make a statement regarding the EIS and so we won't be writing a letter as a board, but may do so as individuals.

The Board continued to work on the Land Use Ordinance Revisions-Section 3.03 Suburban Residential Zone, 3.04 Commercial and Industrial 3.05.

Each commissioner will do a piece of Section 4.

Next meeting will be March 1, 2011, 1st Tuesday.

Commission adjourned at 7:30pm
