Latah County Planning Commission

Latah County Courthouse, Room 2B

Meeting was called to order by Chair Janet Hohle at 5:30pm. Those present were Steve Heick, Rod Parker, Sid Eder, Bob Henricksen and Cindy Agidius. Suvia Judd was not present.

Michelle Fuson began her review of land divisions and Section 8.01 - 8.05. Discussion ensued as planning commission members each did examples presented for their education.

Area of Impact Agreement with Genesee on a revised agreement has been reached. County will be pursuing a similar agreement with all other towns in Latah County except Moscow. Modifications are minor but the area of impact should all be the same. Revised agreement actually gives more area to the town rather than the county but is more specific.

Michelle updated us on some typo's and minor errors in our changes after ordinance was proofed and some state law changes.

Our next meeting will be Sept 20th.

Meeting was adjourned at 7pm with the assignment to finish land division work sheets.
