

Latah County Planning Commission Meeting

Minutes for July 15, 2014

Chairman Steve Heck called the meeting to order at 5:30.

Those present were: Suvia Judd, Tony Johnson, Cindy Agidius, and Kenny Cada

Suvia made a motion to approve the minutes, Kenny seconded, motion passed.

Chairman Heck covered the agenda overview.

On item #5 for future meetings, it was suggested that we have a required minimum number of meetings that members should attend each year. There have been many absences lately, and it is important to have a quorum.

It was announced that Sid has resigned and will no longer be able to attend the meetings.

Michelle Fuson presented a new packet with a rough draft changes to the Latah County Land Use Ordinance. The primary changes were to the administrative permits so that staff could review and approve them within limits without having to go through Planning and Zoning. Every decision can be appealed through the county channels.

We might also review bright LED signs in the commercial area at the next meeting.

As Michelle covered the first 57 pages of the proposed changes, we will start at page 58 at the next meeting, which will tentatively be August 19.

The meeting was adjourned at 6:44.
