

Latah County Planning Commission

October 21,2014

The meeting was called to order by Chairman Steve Heick at 5:33 pm.

Those present in addition to Steve were: Christine Nauman, Kenny Cada, Tony Johnson, Paul Agidius, and Suvia Judd.

Steve covered the agenda overview.

Tony moved to accept the minutes of October 7. Christine seconded and motion approved.

Michelle Fuson continued our review of the proposed changes to the Latah County Land Use Ordinance with the Suburban Residential Zone.

Michelle went over the windmill section. Tony felt we should define the word 'nuisance'. Should we limit the height of windmills? We are to look over the changes on pages 34-39 and bring comments to the next meeting. We finished the review of all 110 pages. Michelle said there are a few more areas under the industrial section that she will review and bring to the next meeting.

Our next meeting will be to finish the windmill discussion and tie up any loose ends.

Next meeting will be November 18. The meeting was adjourned at 7:08.
