RE: Release of Sex Offender

The Latah County Sheriff's Office has received information from the Idaho Department of Corrections announcing the release of Jesse H. Fleury from prison on July 8, 2006. Fleury will have completed a 1991 Latah County conviction for two counts of Lewd Conduct with a Minor. He also has a 1988 Idaho County conviction for Sexual Abuse of a Child Under Sixteen. Fleury has not provided information regarding his residential plans after he is released. Fleury will be required to register as a sex offender upon his release. Fleury is not considered a "wanted" person. The purpose of this correspondence is only to advise of the possibility that a known sex offender could be returning to this area.

Jesse H. Fleury, DOB: 7/15/1921
