RE: Missing Child at Strychnine Creek Area **UPDATE**

At about 17:55, the Latah County Sheriff's Office received radio contact from one of the helicopter search crews near Strychnine Creek. Emma Logan was located by the crew and she seems to be doing well. She is being reunited with her family and Sheriff's Office personnel.

Latah County Sheriff's Office wishes to thank the Search and Rescue units that responded quickly, Clearwater County Sheriff's Office, Bennett Lumber, the US Forest Service, and North Idaho Back Country searchers.
