RE: Non-Compliant Sex Offender

The Latah County Sheriff's Office is asking for the help of our residents and visitors to help us locate a non-compliant sex offender. *The Sexual Offender Registration Notification and Community Right-to-Know Act* requires all adjudicated sex offenders (whether their conviction was in Idaho or in another State) to register annually and to file address verifications ever four months between registrations with the Idaho State Police.

David Karl Stockton (DOB: 12/22/1955) was required to file his annual registration with the Latah County Sheriff's Office on 9/24/2005 and has not done so yet. Stockton was convicted of committing Indecent Liberties in Benton County, Washington in 1992. In 2004, when Stockton last registered in Latah County, he listed his address as "in a tent" at the Scenic 6 Park in Potlatch, Idaho. He had also indicated he was moving to King County, Washington. King County authorities checked on Stockton's claim he would be living in his car on Martin Luther King Blvd. in Seattle and were unable to locate him. Idaho has not been notified by any other State that Stockton has registered in another jurisdiction.

Any offender who is subject to registration and fails to register or provide notice in accordance with Statute is guilty of a felony punishable by imprisonment up to ten years and a fine up to \$5,000. If the offender is currently on probation or other supervised release or suspension from incarceration, failing to comply with registration is grounds for revocation and the penalty shall be served consecutively to the offender's original sentence.

A photo of Stockton is available on the following website operated by the State of Idaho: http://www.isp.state.id.us/so_viewer/search.do

Or you may contact PIO McFarland at Latah County Sheriff's Office for a jpg email attachment.

If you have any information about the whereabouts of David K. Stockton, please contact your local law enforcement agency immediately, or contact the Latah County Sheriff's Office. Do not attempt to contact Stockton without the assistance of a law enforcement officer.

David Karl Stockton
