RE: Fire in Syringa Trailer Park

This morning (8/15/2005) at 03:01, your Latah County Sheriff's Office received a report of a structure fire at the Syringa Trailer Park east of Moscow on Robinson Park Road. Moscow Rural Fire Department responded to the call which resulted in smoke damage to the residence but no apparent structural damage. According to reports, an adult male in the home awoke to the sound of the fire alarm in the residence and the smell of smoke and evacuated his family from the home. The skirting around the trailer caught fire and had caused smoke to seep into the home. No one was injured and the family was given room vouchers at a local hotel for the evening due to the smoke damage and the electricity being turned off. The Sheriff's Office has not been advised of the cause of the fire.
