RE: Request for information, Viola meth lab

The Latah County Sheriff's Office is looking for information about a person of interest in the Viola meth lab (4 April 2006). The subject is a 38-40 year-old white male with brown hair. He is described as being 6'2" or 6'3", about 160-170 pounds, and might go by the name of "Frank." "Frank" might have a goatee or other facial hair, "bad teeth," and is known to frequently wear bibbed over-alls and a "boonie" style hat. "Frank" is alleged to have frequented and possibly resided at the Flannigan Creek Road address where the Search Warrant was served on 4/4/2006 (1207 Flannigan Creek Road). We are also looking for information of a late model silver 2-door Hyundai Accent seen at the residence on the date of the warrant service. If you have any information about this man or the vehicle, please contact the Latah County Sheriff's Office at 882-2216, or the Drug Tip Hotline at 892-3898.
