RE: Harvard Structure Fire Update

The Latah County Sheriff's Office is still seeking the whereabouts of Dallas Dale Strunk, age 56, as a person of interest in the Harvard fire investigation. The silver 1987 Volvo has been located in a remote part of Shoshone County. The individual in the red vehicle with Montana plates in Elk River, Idaho, has been identified and is not connected to Dallas Strunk in any way.

A new photograph of Dallas Strunk shows his hair as shorter and primarily gray. This is believed to be a more current look for Dallas Strunk. Information has been received that Mr. Strunk rarely wears his glasses. His physical description is still believed to be 6'01", and approximately 200 pounds.

Anyone with information is asked to contact the Latah County Sheriff's Office immediately at 208-882-2216.
