RE: Dispatch Center Remodel

On May 14th, the Latah County Sheriff's Office will begin its long anticipated remodel of the Dispatch Center and lobby. This remodel will increase the size of the lobby and nearly double the available space in the Dispatch Center. The Dispatch Center will also receive many communications upgrades.

The remodel is expected to be completed by the middle of July. During the remodel our lobby will be closed. Fingerprinting, concealed weapons applications, sex offender registrations, and other business will be limited to Monday through Friday from 7:30 AM to 3 PM.

In conjunction with our remodel and upgrades we are implementing an automated phone system on our business line, 208-882-2216, to streamline incoming non-emergency calls. This system will enable callers to reach other non-emergency offices, within the Sheriff's Office, more efficiently.

Anyone coming to the Sheriff's Office needing assistance will contact us through the phone located on the wall just outside the lobby. Your call will be answered by Dispatch and they will assist you.

We appreciate your patience during this time and we apologize for any inconveniences this may cause.
